

ABOUT

REVIVE Fest, formerly En Gedi Music Festival is organized by Creator’s Praise Ministries, a new church start of the Michigan District of the Lutheran Church Missouri Synod. It began in 2018 with a vision of an area battle of the praise bands and grew quickly into a quality summer Christian music festival. The music festival is organized by Creator’s Praise but is directed by members from a variety of Christian church affiliations.

The Mission

The Festival mission is to **EXCITE** and **INSPIRE** all people to live as disciples of **CHRIST!** In previous years we picked a theme to address among our crowd of attendees. During the 2020 year of the pandemic we focused on **RECOVERY** (*Jeremiah 17:14*). In 2021 and 22 we encouraged attendees to **REVIVE** (*Psalms 71:20*) as we urged the church to experience and bear witness to the work God has done and continues to do. And now in 2023 we are rebranding as **REVIVE Fest**.

Making a Difference

What do you envision our area to be like in the next 10 years? Will communities be stronger or more divided? Will the moral foundation of our society further erode, or will there be a Christian influence? Do our schools, businesses, technology, etc. support the future development we want for our families, children, and grandchildren?

- Do you want this country or region REVIVED?
- Do you have a desire to see God’s kingdom REVIVED?
- Is REVIVAL possible?

You can make a lasting difference by investing in a ministry that seeks to build the kingdom, encourage true discipleship, and network ministries of the body of Christ. Your gift to **REVIVE Fest** provides the means to continue to build God’s kingdom by exciting and inspiring individual Christians in their efforts to reach out and disciple the communities in which we reside. You also support the development of event that support and strengthen families in our area.

What have We Done So Far?

In 2020 we were blessed to be able to provide a safe space for a small crowd to socially distance themselves and still experience a festive atmosphere with many well-known artists including Sanctus Real and Unspoken. Since then, the crowd has grown and we have welcomed other artists like Mandisa, Rhett Walker, Ryan Stevenson and Jordan Feliz. 2023 is now poised to be the biggest year yet with presale tickets already nearly surpassing total online sales for all of 2022. We are excited about what has already happened but that pales in comparison to what God can still do. *“After two days he will revive us; on the third day he will raise us up, that we may live before him.” Hosea 6:2*
