

**Thank you** for your interest in supporting Revive Fest, the largest Christian Music Festival in the tri-state area.

**The Mission** is to **EXCITE** and **INSPIRE** all people to live as disciples of **CHRIST!** Attendees experience and bear witness to the reviving work God has done and continues to do.

**The Audience** comes from all over the tri-state area of Michigan, Indiana, Ohio, and beyond. Though the crowd varies in vocation, age, and gender, it is genuinely seeking to build relationships with God and family. The crowd represents people who are worn and weary. People that have seen the worst in the world and desire to know the best from God. This is their summer vacation, their chosen break, their hope of refreshment, and their time of revival.

**The Need** for revival is clear. Our world is divided, chaotic, war-torn, plague-ridden, confused, and corrupt. And, it's

becoming harder and harder to share the Christian faith with one another. This year two other Michigan Christian music festivals have postponed or cancelled. We are confident that God works through gatherings like **REVIVE Fest** to shine His Light onto and into His people, to give hope in the midst of darkness. For this reason, your sponsorship is critical to shine the Light of Jesus through **REVIVE Fest**.

**The Hope** is to positively encourage the attendees to experience the reviving work of God firsthand and then send them home as a source of revival to their families, workplaces, schools, and communities.

**The Future** of this festival strong. Many continue to remark about the need for revival. Certainly, revival is at the heart of this event, but it is also something God is doing nonstop on a day-to-day basis. This event highlights God's reviving work and gives us a shared mountaintop experience that prepares us to return to the valley and be a reviving influence on others. Thank you for being the means by which many may be exposed to the refreshment that comes by God's Spirit and grace through words and music.
