

REVIVE FEST

July 26-27, 2024

Thank you for your interest in supporting Revive Fest, the largest Christian Music Festival in Southern Michigan and Northern Indiana.

The Mission is to **EXCITE** and **INSPIRE** all people to live as disciples of **CHRIST!** Attendees are urged to experience and bear witness to the work God has done and continues to do.

The Audience comes from all over the state of Michigan and other areas of IN, NY, MO, IL, IA, OH, and Canada. Though the crowd varies in vocation, age, and gender, it is genuinely seeking to build relationships with God and family. The crowd represents people who are worn and weary. People that have seen the worst in the world and desire to know the best from God. This is their summer vacation, their chosen break, their hope of refreshment, their time of revival.

The Hope is to positively encourage the attendees to experience the reviving work of God and send them home as a source of revival to others.

The Future is ripe with possibilities. We have, to this point, created a venue and opportunity for people to gather as one and acknowledge and encourage each other in their

shared faith and values. We are currently actively promoting the common mission to make disciple of **JESUS!** We continue to introduce attendees to resources that are available to assist them in their personal walk as disciples of Christ and help them in their efforts to disciple others. With 2023 attendance surpassing 2022, we expect to see at least a 100% increase over last year. That means that the future is bright and the chance to positively influence others is great.

The Need for revival is clear. Our world is divided, chaotic, war-torn, plague-ridden, confused, and corrupt. Your sponsorship / donation to **REVIVE Fest** is crucial. Thank you!

Custom Packages

While prepared packages are easy, we realize that these packages are not one size fits all. And the larger the package, the more specific we become about anticipated outcomes. A good question to ask is, "What outcome will determine the success of the sponsorship?" Once that question is asked and answered, we have a target for which to aim and expectations to meet.

Below is a list of options that could be expanded on, substituted, or added to packages to make a more effective participation.

- Festival Website Listing
- Printed Promotions (Fliers, Yard Signs)
- Social Media Announcements, Posts, or Ads
- Business Banner (Size, Location, Availability)
- Space (10'x10' or 20' or 40'...)
- Tickets, Parking Passes, Event Registration
- Logo on Big Screen (Quantity of Impressions, When?)
- Meet and Greet / Question and Answer Tent
- Big Screen Commercial (Length, time, festival message)
- On Stage Presence (1-2 minute festival greeting)
- Live video crew (Recording or for large screen scenes)
- Sponsoring a break
- Fireworks
